

## Input

**Question:** Where do you put your grapes just before checking out?

**Choices:**

(A) shopping cart

(B) mouth

## Direct Answer Strategy w/ COT

**Correct Answer:** Just before checking out at a grocery store, you typically place your items, including grapes, in the shopping cart. So the correct answer is "shopping cart," which is choice (A)

## Process of Elimination Strategy w/ COT

**Incorrect Answer:** Just before checking out, you would not put grapes in your mouth as that would be consuming them before purchasing. So the incorrect answer is "mouth" which is choice (B)
